Description:

PROJECT DESCRIPTION: Work will include renovation demolition of existing spaces to accommodate the addition of 8 patient dialysis treatment areas that will take over space where the pharmacy currently exist. This will also include renovations to existing spaces to satisfy the requirements of the Dialysis Center as they expand. Bioscrip Pharmacy will take over the vacant end unit of the building where demolition and renovation will occur to facilitate moving the pharmacy. The Dialysis Center will include approximately 2,600 sq.ft. of actual renovated space and the Bioscrip Pharmacy will included approximately 3,000 sq.ft. of space.

BIDDING REQUIREMENTS: All subcontractors must be Clarian prequalified by Safety Management Group no later than 15 days prior to submission of bids. For prequalification information please visit www.safetyprequalification.com. This project has MBE/WBE goals of 15% and 5%. Every effort must be made by all Subcontractors to meet these goals.

BIDDING QUESTIONS: Please contact Brian Zeronik (317) 681-5276.
